

# Finca Sobreño

D.O. Toro

## Las Viñas De Paloma Selección De Parcelas 2021

When the D.O. Toro was established in 1987, Roberto San Ildefonso from Rioja was one of only a handful of winegrowers who saw the region's true potential. His estate & winemaking cellar, Finca Sobreño, was one of the first of only ten established in the then new appellation, which today includes over 50 producers. Finca Sobreño's first vintage in 1999 immediately earned acclaim and became known as "the new star of the Douro." The cellar sits amongst 24 hectares of vineyard but the estate includes a total of 80, twenty five of which are certified organic. The vineyards have an average age of 30 years and many vines are pre-phylloxera, meaning they are planted directly without grafting. The resulting wines are clean, bright, balanced and elegant but with the deep, intense colour that is characteristic of the highly regarded wines from Toro.

### The harvest

Harvest in Toro begun early in its more than 80 hectares of vineyards. The picking has begun in the old vines, some with more than 75 years old, which are in an optimal state of maturation, after a late sprouting. The harvest work will continue in a staggered manner, adjusting to the ripening of the grape. The climatic conditions of this cycle have been characterized by abundant winter rains that have allowed the vine to have important water reserves to complete the cycle without stress on the plant. Thanks to this, the grape has reached balanced levels of pH and acidity that will guarantee fresh and long-lasting wines.

### Vinification

Following careful selection, the grapes were de-stemmed, crushed and the must underwent cold maceration at 10° C for four days prior to fermentation, which took place at a maximum of 28° C. The total maceration period lasted approximately 20 days.

### The ageing

It was aged for at least nine months in American and French oak barrels of less than four years old. Another six months in the bottle rounded out its ageing process.

### Tasting notes

**Colour:** Deep-red cherry colour with purple tones at the edges.

**Nose:** Intense aroma, good combination of black berries with toasted nuances from the oak. Balsamic and spicy undertones.

**Palate:** Intense bouquet, fleshy fruit with very fine and ripe tannins. Long and persistent aftertaste.

**Food pairing:** Ideal for red meats, all types of lamb (roasted or in sauce), game dishes, cheeses and seafood in sauce.
